ACKNOWLEDGEMENT

It is indeed a great pleasure to express our thanks and gratitude to all those who helped us. No serious and lasting achievement or success one can ever achieve without the help of friendly guidance and co-operation of so many people involved in the work.

We are very thankful to our faculty guide **Miss. Radhika Raghani** who makes us follow the right steps during project work. We express our deep sense of gratitude to her guidance, suggestions and expertise at every stage. Apart from that her valuable and expertise suggestion during documentation of our report indeed helped us a lot.

We would like to thank our college's faculty members who have been always guiding us towards the path of success. They helped us through the entire project duration and also have been the source of encouragement. Finally, we sincerely thank to our classmates for providing innumerable discussions on many procedures and tips.

We are also thankful to the Smt. K.S.N. Kansagra Mahila College that they gave such a big opportunity. We would also like to thank our principal sir and all the faculties of our college for giving us guidance, so that we can go through the project without any problem. This project helped us to get idea of the real system and their development procedure.
